TUESDAY APRIL 28TH

The Ohio Area IV Envirothon is an outdoor, academic, and environmental team competition for high school students which tests knowledge in five areas: Aquatic Ecology, Current Environmental Issues, Forestry, Soils, and Wildlife.

The event is designed to stimulate and reinforce the students' interest in our environment and our natural resources while encouraging cooperative decision making, team building, and problem solving.

The top 4 teams in Area IV will go to the Ohio Envirothon State Competition in June. At the state competition teams will compete for Ohio's spot at the National Envirothon Competition in July.
